

**A PAVEE'S GUIDE TO
STAYING SAFE
ON TIKTOK**

Tiktok is a video sharing social networking service. It is used to create short dances, lip-sync, comedy and talent videos. Just like other social media platforms like Facebook, you can report inappropriate accounts, comments, and videos. You can also take steps to stay safe.

Report an Account

Step 1: Go to the profile of the account you want to report

Step 2: Tap the Settings Icon

Step 3: Tap Report and follow the steps in the app

Report a Video

Step 1: Open the video and tap the share icon

Step 2: Tap Report and follow the steps in the app

Report a Comment

Step 1: Tap the comment you'd like to report

Step 2: Tap report and follow the steps in the app

For more information, see [Tiktok's guide on how to report posts](#)

How to Stay Safe on Tiktok

There are a number of steps you can take to make sure you are staying safe when using Tiktok. [Here Tiktok shows you how to make your account private.](#)
